The Buonanotte Toronto Team

Selecting Your Menu

We encourage you to select your menu according to taste and budget using the menu selection provided or speak to your booking contact to create your perfect custom menu.

Why Set Menu?

Swift service of large parties can be a complicated matter as all menu items have different preparation times, cooking times, plating times and hold times. By selecting a set menu, we can ensure your party will receive the best service and freshest food possible.

Buonanotte kindly asks that all parties of 11 or more people select a family style set menu.

What is Family Style?

Perfect for any gathering, each course is prepared and served on platters placed in the center of the table giving each guest the opportunity to indulge in several different dishes rather than having to choose only one item. Family style offers a unique experience

Every guest will receive a printed menu outlining the dishes and may be customized with a special message or logo if desired.

Allergies and Dietary Restrictions

Please advise your booking contact via email of any known allergies or dietary restrictions. Many dishes may be modified to accommodate your guests.

In addition, please advise your guests to notify the server of their allergies upon seating.

Unlimited Non-Alcoholic Beverage Package

Unlimited Bottles of Flat and Sparkling Water, Soft Drinks, Coffee and Tea throughout your dinner can be added to any Family Style Menu for \$5 Per Person.

Questions?

We are here to welcome you for any special requests and inquiries, please speak to our booking managers to create your perfect event. We can be reached by phone at 416-599-7246 or by email at toronto@buonanotte.com.
